

Scottish Beagle Club Ch Show 16/06/2013

The Scottish Beagle Club held their Championship show where BIS was Dufosee Hayley, Res BIS Dufosee Hyperion and BPIS Janfrey Osborn. I had the honour and pleasure to judge at this well run and friendly show. My thanks go to the Officers and Committee for the invitation and their hospitality and to my very efficient steward.

I had an entry of both quality and quantity. I know it's a cliché you have all heard before but in some classes I really was spoilt for choice and on another day, I'm sure, places will change. All were presented in super condition. However, some exhibits could benefit from attention to their feet, shorter nails, just to complete the picture.
