

Scottish Beagle Club  
Breed Championship Show June 2022

I'd like to take this opportunity to thank the exhibitors for their entry, my steward for her assistance in the ring and the Officers and Committee for their welcome and hospitality on the day. The bitch entry was numerically larger and held more quality than the dog's bar the principal winners.

MPD 1. Kingswin Bug 'A' Lugs. Just 6 months. A well boned puppy with a good head and ears, good length of neck and nice fill in front. Well angulated front and rear and with a well set tail. Moved well in profile but needs time to firm in topline and rear.

PD 1. Tannahill Vagabond. Pleasing for type with a good outline and balanced angulation. Enough bone for his size, good front and feet and has a good topline and tail set. Strode out well in profile and shown in good coat and condition. Best Puppy Dog.

JD 1. Dufosee Isaac By Annavah. Tri with a lovely head and expression, good neck and topline. Was well angulated behind and moving quite well. Could be more positive in front. 2. Tannahill Ghost Pepper. A stronger boned youngster with a broader skull than I prefer however, he was balanced and had good legs and feet and a good topline and tail and he moved well with good drive behind.

GD 1. Newlin Rambler. Tan/W nice type. Has a good head with well set ears, good topline and tail set. Has good ribbing and strong loin and a good rear with low hocks. Would like a better neck and shoulder but he moved quite well. 2. Gempeni Charlock. He has not the balance of construction of the winner but has good ribbing and topline. Movement was erratic and short striding but he had a delightful temperament.

PGD 1. Jalhar Fame N Fortune From Kelcardi. Has a well proportioned head with good ears, dark eye but lower rim could be tighter, good bone and a moderate front. Has a good spring of rib, strong loin and moderate rear angulation with good width of thigh. A nice free mover. 2. *Gempeni Charlock*

LD 1. Fallowfield Vincent. A very pleasing type who was compact and well proportioned with a good head, soft expression, fine ears which were well set and a good big nose. Has a good neck and shoulder and well sprung ribs. Liked his rear angles with good width of thigh which was lacking in quite a few today. Moved well in profile showing good drive behind. 2. Wyvisview Pinocchio. Tri with a pleasing head and expression good topline and tail set. Front a bit wide at elbow and has not the layback of shoulder of winner. Moved OK. 3. Gempeni Paso.

OD 1. Ch. Davricard Jacob. An outstanding dog for type and balance. Has a lovely head, a body of excellent proportions with a good topline and tail set. He is well balanced with good round bone and tight feet. His ribs are well sprung and he has a short loin and well let down hocks. He excelled on the move showing both reach and drive. Pleased to award him the CC. and Res. BIS and Best Opposite sex. 2. Ch Serenaker Armani. Also an impressive dog of good size and correct proportions who has a beautiful head and expression and an excellent outline which he held on the move. Had not quite the easy action and extension on the move as one today but a very worthy Ch who pressed the winner hard. Shown in excellent coat and condition. Res. CC 3. Deaconfield Kingcraft.

VD 1. Ch Shercroft Apollo JW SHCM Tan/wh of very nice type with good bone, is well ribbed and a really sound and true mover. Has a happy temperament and went well today. Best Veteran in Show.

She is well ribbed and compact and she moved really well for her age. Just needs time to firm up all round. 2. Felinoak El Koko Loko. Taller bitch with nice head and good bone and feet. Ok in neck and shoulders and with a good topline and bend of stifle. Move well in profile but close behind at the moment. 3. Dughallmor Kiss The Bride.

She moved really well and fully deserved Best Puppy In Breed. 2. Keltycreed Danger Digits. A smaller Tri, proportionate for her size who looked very nice in profile. Has a good topline and tail and moved soundly

front and rear. A bit narrow all through at the moment and needs time to mature. In excellent coat and condition. 3. *Dughallmor Kiss The Bride*

JB Two lovely bitches headed this class. 1. Davricard Marcia. Very nice for type with a good head with dark eye and good nose. She is well boned with excellent feet, has a good deep body, well sprung ribs and compact loin. Liked her rear with good width of thigh and has a good tail. Has a beautiful head with appealing expression and good bone for her size. Has a good neck and shoulders, strong topline and a balanced rear. A bit narrower in front and closer in movement than winner at present but a very promising prospect. 3. Wyvisview KnickerBocker.
