### About Your Judge – Sally Kimber (Coachbarn)

My parents were responsible for my first introduction to Beagles as my father decided it was time he took more exercise, and they agreed on a dog to share our home with a Siamese cat. Both he and I commuted to London so mother had the choice of breed as she would have the daytime responsibility for looking after a puppy. As a child she had seen a pack of small Beagles that met at a nearby country house and decided that a Beagle was the breed she wanted. She had been brought up with Flat Coated Retrievers which my parents had shown with some success. Our first Beagle was purchased in January 1962. He was tan & white from well-bred American imported stock and sired by Rozavel Manhattan out of a Rozavel bitch. It seemed to be accepted that he would be shown and during the summer I took him to dog training classes (no such thing as ringcraft training) and in the October took him to his first show under Harry Martin (Beston). Although he didn't win, I was advised to show him under Thelma Gray (Rozavel) or Mrs Joan Beck (Letton) which was good advice as I won under both of them and was hooked on showing! At this stage I didn't have a driving licence so going to shows meant complicated train or bus journeys. I was fortunate to meet Marion Chapman of the Coachbarn Beagles at local shows who gave me a bitch puppy sired by the fullbrother to our Beagle and from her I bred my first litter sired by Ch Deaconfield Rampage. I have only ever kept five Beagles at a time and usually bitches who have also been successful following an aniseed trail during the winter months with the Beagle Club Working Section. My judging career started at a small local show after showing for five years and then in 1977 I awarded Challenge Certificates in the UK for the first time and now have judged in Australia, New Zealand, Denmark, Germany (Dortmund) & Belgium. I had the honour to judge at Crufts in 2008 with over 255 dogs and my Best of Breed went on to win the Hound Group. My most recent appointment in the UK was at West of England Ladies Kennel Society before COVID so I am looking forward to judging "over the border" for the first time.

## DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the first closing date shall be counted when entering for any class i.e **28<sup>th</sup> May 2023**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.
